

Gregarious Volunteers Needed!

Do You Like Conversations with Strangers?

Talk To Me

is an interactive project which aims to encourage strangers to enter into conversation

Volunteers are currently being invited to wear one of three badges bearing statements such as 'Talk To Me, I Like Conversations With Strangers' for a period of up to two weeks. Participants are then asked to record the details of any interactions which have occurred as a result of wearing the badge.

This is a great opportunity to enrich your own study if your work explores performance, interactivity, or public/urban spaces. The results of this project will also be published online and it is highly likely that contributed work will be displayed in either the MA show or an alternative exhibition format.

Please message Annabeth Orton at mouse@glittermouse.co.uk if you would like to become involved
