

# CRITmas Party!

**Wednesday December 19<sup>th</sup> 2012**

MadLab, 36-40 Edge Street, Manchester, M4 1HN

**You are warmly invited to the CRITgroup first birthday/Christmas party!**

An excellent opportunity to chat to regular attendees before starting your New Year's Resolution of using CRITgroup meetings to inform and stimulate your practice!

**As an extra special feature of the December meeting we are also proud to announce that we will be kicking off our first collaborative project in a (not so) Secret Santa style!**

Please bring a contribution of festive food/drink and your first 'Creative Whispers' contribution (see below)

**Hope to see you there!**

## Invitation to Collaborate

Please come along to our CRITmas party and bring a physical object you have made or an idea recorded in a written/sketched fashion. To fit in with the CRITmas party theme, we ask you to wrap it like a present (or enclose it in a card). This will help us to select one each at random without knowing what the item is! It is important that you include a gift tag (or alternative) which clearly indicates who it is from but you should not specify who it is to. The only stipulation for the content of your contribution is that it should in some way reflect your practice; it could be a small item as a 'taster' of your current work or simply an idea for something you hope to make next but haven't quite got round to...

If you are unable to attend on the 19<sup>th</sup> of December but would like to become involved in the collaborative project, you can post your contribution to:

CRITgroup c/o MadLab, 36-40 Edge Street, Manchester, M4 1HN. Please include a return address so we can select a contribution to send back to you!
