I am happy with my finished craft item		✓					I am not happy with the outcome of the workshop
The workshop was value for money		✓✓					I feel I paid too much for the workshop
I was supplied with quality materials and tools		✓					The materials and tools were not very good
I was introduced to new ideas and learnt something about art and design		✓					Much of the content was familiar and I did not learn anything new about art and design
I was introduced to new techniques and have developed my creative skills		✓					I did not learn any new techniques and my skills have not improved
I will definitely use my new skills to make craft items in the future			✓				I do not expect to make craft items in the future using the techniques covered
I have learnt things about art and design which will be useful to me in other creative areas		✓					The content was not new to me or I do not expect I will use any of the content in other creative areas
The workshop was well planned and paced appropriately		✓					The workshop did not appear well planned and the content was either rushed or dragged on too long
I found it easy to follow the delivery of the course and I understood each of the stages		✓					The delivery was confusing and I did not understand what was being asked of me
The workshop leader was approachable and had good subject knowledge		✓					The workshop leader was not easy to approach and had questionable subject knowledge
I enjoyed this session and would consider participating in other Glittermouse workshops		✓✓✓					I did not enjoy this session and would not consider participating in other Glittermouse workshops
I would recommend Glittermouse workshops to friends and family		✓✓✓					I would not recommend Glittermouse workshops to friends and family
